

Identifying & Defining the Musical Language in *Deep Dish*

Composer James Stephenson used partially invented musical terminology in *Deep Dish* to spice up, add some humor, and give direction to the conductor and musicians. Find the terms and write them in the first column. Search for a definition of the Italian words using print or online dictionaries. Write definitions and your thoughts in the middle column. The third column is a space for optional illustrations of the musical terms.

Term From the Score	Definition & Notes that Explain the Meaning	Optional Illustrations
