

Skill Builder Mini-Lessons

Explore and Develop the Vocal Concepts and Music Elements in *When I Sing*.

These lessons are designed to enhance student learning when rehearsing the piece; they address potential weaknesses the singers may have in performing as well as musical implications in interpreting the music. Part or all of them can be used as warm-ups to the rehearsal.

WHEN I SING SKILL BUILDER MINI-LESSONS INCLUDE:

- [#1 Rhythmic Accuracy/Syncopation](#)
- [#2 Text/Sound Connections](#)
- [#3 Vocal Production/Intonation with 3-Part Harmony](#)
- [#4 Texture](#)

National Standard: Perform/Present Mu:Pr6.1

Perform expressively, with appropriate interpretation and technical accuracy, and in a manner appropriate to the audience and context.
